Rebates are available only for the purchase of new ENERGY STAR® rated products purchased on or after January 1, 2010. The products must be installed where electricity is supplied by SWCE. Rebate submittal must follow the guidelines as listed above. SWCE is not responsible for inaccurate information supplied by dealers. Rebates will be issued only for products on the current list of ENERGY STAR® rated products as of the purchase date. ENERGY STAR® occasionally removes products from qualifying lists, and SWCE will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR®. To verify ENERGY STAR® status, visit www.energystar.gov or call 1-888-STAR-YES. Rebate program is subject to change or cancellation without notice. Call SWCE to verify rebate program status.
